Bundsmeldegesetz (Federal Citizen's Registration Act)

All accommodation establishments are required to report a guest's duration of stay – regardless of the company's size or where the organisation is located (for more information, please refer to: Bundsmeldegesetz, in particular. §29 „Besondere Meldepflicht in Beherbergungsstätten“ in English: “Special reporting requirements for accommodation establishments”).

Resort Tax

The resort tax is used to cover part of the expenses for the acquisition, expansion, improvement, renovation and maintenance of the tourism facilities and grounds as well as the infrastructure, cultural activities and events necessary for this purpose.

Explanation of the duty to pay resort tax

“People who stay in the spa region of Pfronten for spa and recreational purposes whose main residence is not located in the region within the meaning of the registration act, and who are offered the opportunity to use the spa facilities and participate in the events on offer, are obligated to pay a resort tax. This duty does not depend on whether and to what extent services provided by organisations and local areas which offer resort facilities are actually used.” (Source: §1 Statute for imposing a resort tax in the municipality of Pfronten)

Calculation of resort tax in resort area I and resort area II (districts of Kappel and Rehbichl)

The resort tax is calculated based on the number of days of stay. Each day commenced is considered a full day. The day of departure is not calculated.

Children up to 6 years of age are exempt from the resort tax (until their 6th birthday).

The exact date of birth is decisive in calculating the resort tax for children and young adults.

From 01.11 to 15.12., only 50% of the resort tax amount is charged per day in the all spa areas.

The amount of the resort tax is reduced by half upon presentation of a severe disablement card with a disability level above 80 (GdB 80). If a "B" for Begleitung (accompanying person) is indicated in the card, the accompanying person shall be exempt from the resort tax. Business stays by guests are exempt from a resort tax upon presentation of a certificate from their employer (for stays of one night upon proof by showing a business card).

Resort Area I:

- €2.00 (from 16 years of age)
- €1.20 for people 7 to 16 years of age (from the 6th to the 16th birthday)

Resort Area II (Kappel and Rehbichl districts):

- €1.50 (from 16 years of age)
- €1.00 for people 7 to 16 years of age (from the 6th to the 16th birthday)
